Mission Statement for Essentials 4 Women SA

For disadvantaged women, Essentials 4 Women SA aims to provide the basic, but costly, items for feminine hygiene including sanitary products and underwear. Our passion for helping women promises to help empower and enhance the wellbeing and dignity of some of the most vulnerable people in our community.

Core Principles for Essentials 4 Women SA

At Essentials 4 Women SA we believe that:

- Every women has the right to access sanitary products every month;
- Essential toiletry items are exactly that - essential - not a luxury, that every woman should be able to access;
- By making these items accessible to women in need, their dignity as a woman is enhanced.

Our long term goal is to reach a point in South Australia where vulnerable women no longer need to menstruate without dignity or resort to distressing decisions such a making the choice of either buying food or buying essential sanitary items.
